INDUSTRIAL WASTE 5 ANNUAL OPERATING PERMIT

DESCRIPTION OF FACILITY/EQUIPMENT

This document, issued under the provisions of Chapter 24, Miami-Dade County (Dade County Environmental Protection Ordinance), shall be valid from May 01, 2008 through April 30, 2009. The above named permittee, is hereby authorized to operate the pollution control facility at the above location which consists of the following:

Facilities that handle hazardous materials and do not generate any waste. Served by sanitary sewer.

This facility is subject to conditions listed below and in the following pages (if any) of this permit.

SPECIFIC CONDITIONS

1. Facility shall have the ability to contain and collect any spill and properly dispose of contaminated materials. Accidental spills must be reported to this department within 24 hours at (305)372-6955.
2. Records of incoming and outgoing hazardous materials shall be maintained in an orderly manner and be made available to this department's representatives upon request. Records shall be kept for a period of three years.
3. All above ground tanks and storage areas for hazardous materials and hazardous waste (if allowed) must have secondary containment. Design and construction must have departmental approval.
4. If at any time pollution control facilities or procedures are found to be performing inadequately, the owner must provide immediate improvements to the operating techniques and/or additional equipment in order to operate in compliance with applicable regulations. Additionally, any significant changes in facility operations, processes or inventory of materials must be reported to this office in writing within 10 days.

GENERAL CONDITIONS

5. The applicant, by acceptance of this document, agrees to operate and maintain the subject operation so as to comply with the requirements of Chapter 24 of the Code of Miami-Dade County.
6. If for any reason, the applicant does not comply with or will be unable to comply with any condition or limitation specified on this document the applicant shall immediately notify and provide the department with the following information: (a) a description of and cause of non-compliance; and (b) the period of non-compliance including exact dates and times or, if not corrected, the anticipated time the non-compliance is expected to continue, and steps taken to reduce, eliminate, and prevent recurrence of the non-compliance. The applicant shall be responsible for any and all damages which may result and may be subject to enforcement action by
